Create Icons of Ancient Animals for a Geological Timeline Exhibit

Project Title	Create Icons of Ancient Animals for a Geological Timeline Exhibit
Summon	Design silhouettes of animals and plants such as jawless fish, brachiopods, crinoids, ferns, etc. for use on an existing geological timeline display on the porch around the Fossil Butte National Monument visitor center.
Country	United States

Project Description

Design approximately 125 silhouettes of animals and plants such as jawless fish, brachiopods, crinoids, ferns, etc. for use on an existing geological timeline display on the porch around the Fossil Butte National Monument visitor center.

Final product will be vector line drawings within Adobe Illustrator. Icons should be recognizable when laser engraved at 300 bpi on a piece of plastic within an inch and a half circle.
